**OOHLALA**

Press the heart & soul of Sydney's exploding entertainment scene, our new-week All-Format-Only CD is a young indie with a strong mission for early laughs, and music, and starts with a rock. Take a bunch of Old-Worlding Rivers, the sweet of Boston's James Taylor, wash it in Maddy Peters, let it out to dry on the line with the cheek, charm and hair-stands of The Faces and you get yourself a slurring of rock and roll.

From the heart & soul of Spotify's exploding entertainment scene, the inner west has formed Ooh La La - 4 young souls with a thrifty passion for early boogie, soul music, and early rock n roll. Take a pinch of Ooh, a dash of Rhythm, the sounds of Buckle T Jones Band, wash it in Muddy Waters, let it out to dry on the line with the chucks, chains and ball-cards of The Faces and you got yourself a tantalizing rock and soul.

**HOT NEWS**  
OONLALA's new album "Oop the wulfa Down" is a must download!

**FEATURED + HOT!**

**OOHLALA**

From the heart & soul of Sydney's exploding entertainment scene, the inner west has formed Ooh La La - 4 young souls with a thirsty passion for early boogie, soul music and early rock n roll. Take a pinch of Otis Redding Rhythme, the vocals of Booker T. Jones Band, wash it in Muddy Waters, let it out to dry on live with the cheek, charm and ball-antics of The Faces and you got yourself a blurring of rock and soul.
